

**Establishing School-Wide Service Learning**

<b>Plan Components</b>	<b>Strategies</b>	<b>Resources</b>	<b>Timeline</b>
<b>Professional Development</b> <i>How will our faculty learn about democratic learning principles and service learning?</i>			
<b>Community Connections</b> <i>How will we involve the community in service learning? Who will collaborate with us? What will be their roles &amp; responsibilities?</i>			

Plan Components	Strategies	Resources	Timeline
<p><b>Assessment Plan</b>  <i>How do we integrate service learning into the curriculum? Have we aligned service learning to the QCCs? How will we evaluate the integration of service learning? How will we evaluate the effectiveness of service learning?</i></p>			
<p><b>Governance Structure</b>  <i>Is our mission statement in alignment with our school's initiatives? How will decisions about service learning be made? Who will be involved in decision-making? How will we evaluate the effectiveness of our governance structure? How will we communicate with stakeholders regarding our plans?</i></p>
